Journal of Moral Theology is published semiannually, with regular issues in January and June. Our mission is to publish scholarly articles in the field of Catholic moral theology, as well as theological treatments of related topics in philosophy, economics, political philosophy, and psychology.

Articles published in the *Journal of Moral Theology* undergo at least two double blind peer reviews. Authors are asked to submit articles electronically to jmt@msmary.edu. Submissions should be prepared for blind review. Microsoft Word format preferred. The editors assume that submissions are not being simultaneously considered for publication in another venue.

Journal of Moral Theology is available full text in the *ATLA Religion Database with ATLASerials®* (RDB®), a product of the American Theological Library Association.
